

REMARKS

Applicant presented remarks in Reply B of August 1, 2007, regarding reasons Applicant believes the claims herein are allowable. The present amendment is merely to correct dependency for claims 6, 13, and 20, and to more distinctly limit the storage device of claim 15, so that it is clear that the storage device actually has the recited elements stored on the computer-readable medium.

REQUESTED ACTION

Applicant submits that the invention as claimed in accordance with amendments herein is patentably distinct, and hereby requests that Examiner grant allowance and prompt passage of the application to issuance.

Respectfully submitted,
